Angelus

THE DESIGN
Cleansing Cream

WHAT opens the pores—your skin—what bleaches its color when you put on a cleansing cream? Some mineral drug, some chemical—harmless, perhaps, irritant, maybe. You don't know.

But you do know, when you use ANGELUS, the famous cleansing cream, compounded by Louis Philippe from real lemons and purest oil emollients. There's no harm in either.

ANGELUS softens and cleanses the pores of the skin thoroughly. It brings the bloom of health, the charm of youth to the complexion. For beauty's sake use Angelus.
